

Where Learning Grows Naturally

Purposefully designed outdoor resources supporting play schemas, exploration, collaboration and confident learning.

MUD KITCHEN

Supports transformation schema through mixing, pouring, experimenting and collaborative sensory outdoor play.

BUG HOTEL

Promotes connection schema as children explore insects, habitats and ecosystems outdoors.

STORY CHAIRS

Encourages symbolic play schema, inspiring storytelling, communication, leadership and imaginative outdoor role-play.

BALANCING BEAM

Develops trajectory schema through balancing, climbing and movement building coordination and confidence.

PLANTER BENCH

Fosters nurturing schema as children plant, care for, observe and discuss growth outdoors.

WHY SCHOOLS CHOOSE TRUDY OUTDOORS:

- ✔ Designed specifically for EYFS and primary learning
- ✔ Durable outdoor construction
- ✔ Encourages creativity, curiosity and movement
- ✔ Ideal for playgrounds, forest school areas and outdoor classrooms
